

The Dover Mothers Club

Agenda

February, 2022

Attendance:

- | | | |
|----------------|-----------------|------------------|
| ■ Amber Murphy | ■ Emily Lane | ■ Natalie Schie |
| ■ Janet Clark | ■ Julie Leggett | ■ Ashley Noretto |

New Business:

- Scholar Athlete
 - Is the DMC still responsible for this task or has this been relinquished to the coaches? If this is still the responsibility of the DMC, we will need to appoint a chairwoman to organize this task for the 22-23 school year.
Karie McCrate has been performing this task. DMC will check with Mrs. McCrate to see if she wishes to continue carrying out this task.
- Read over the bylaws. Vote on the amendment of Article 4, Section 3 in the bylaws. The change in wording will be more consistent with current procedures and terminology.
 - Change Chairmom in the bylaws to Team mom. This is more consistent with the terminology used in the present day. This will also parallel the terminology used on the website.
Natalie Schie handed out a copy of the current bylaws which were last revised in 2016. Those present were asked to look over the potential revisions so they can be voted on and adopted in March.
- Review the Team Mom Duties Form and vote on amendments in order to reach consistency with the Bylaws.
Natalie Schie handed out a copy of the current duties list with potential revisions. Those present were asked to look over the potential revisions so they can be voted on and adopted in March.
- Questions regarding the Scholarship given by the Dover Mothers Club. According to the bylaws, our organization gives 2 deserving students a \$500.00 scholarship. When and how are these applications submitted to the DMC? Is there a form that the DMC has for students to complete? If so, should we add this to the webpage for students to download?
It was stated that 2 scholarships are awarded to 1 boy and 1 girl.

Natalie Schie will check with the Guidance Office on obtaining a copy of the previous form that includes the criteria. Natalie Schie will draft a new form to be distributed to the guidance office with a link made available on the website.

5. Nominations or Appointments of officers for the 2022 calendar year.

It was motioned by Amber Schaeffer to appoint the following individuals for the respected positions.

Emily Lane - President

Janet Clark - Vice President

Julie Leggett - Treasurer

Natalie Schie - Secretary

Ashley Noretto seconded the motion.

6. The Football Mulch Fundraiser was discussed.

Julie Leggett will inquire about previous flyers distributed.

Amber Murphy stated that she will call Stutzman's Landscaping to inform them of the fundraiser.

The question was asked about whether or not we should distribute the flyers with contact information to the elementary schools.

Once the flier is created, Natalie Schie will upload it to the website.

7. The Injured Athlete task was discussed.

The DMC will need to appoint an individual willing to take on the task of sending get well cards to our Dover athletes who are injured.
